Navigation Menu: Iteration 1

The "Groovy Threads" site has a navigation menu with 4 links. Each link navigates the user to a different page on the site. The menu has no other functionality.

Describe how mouse and keyboard users should be able to interact with the menu.

Groovy Threads

Groovy Shoes
Far-Out Pants
Hip Shirts

Navigation Menu: Iteration 2

You've been asked to add functionality to the existing navigation menu. In addition to the 4 primary navigation items, each item should spawn a dropdown menu with additional navigation options.

Describe how mouse and keyboard users should be able to interact with the menu.

Describe what kind of information should be conveyed to screen readers as a keyboard user navigates through the navigation menu.
